

# Messiah Bridgeworks

"where your imagination is the only limitation"

All our bridges are constructed with an eye for detail and artistic composition. They will look at Home in the most meticulously manicured garden. Remember that a well designed bridge will be the central feature in your garden so don't be satisfied with anything but the best.

*The Serenity Green Wreath*

*The Serenity White Heart*

*The Serenity Black Dove*

Features include:

- ✓ Decorative wrought iron handrails
- ✓ Durable powder coat finish
- ✓ Composite wood fiber decking
- ✓ Wide variety of accessories

*The Sovereign*

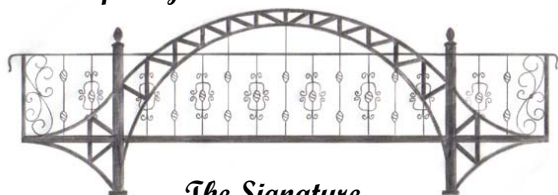

We are offering four distinctive styles

*The Simplicity*

At Messiah Bridgeworks we know how to use a ruler but we don't always think along straight lines

*The Signature*
